PROFILE

Dedicated student with a strong foundation in computer science engineering. Ability to solve problems and work collaboratively in team settings. Seeking opportunities to apply my skills in creating innovative solutions while continuously learning and growing in the tech industry.

EDUCATION

- B.E. in Computer Engineering | TIET, Patiala | CGPA 8.92 2027
- XII (CBSE) | SLSDAV Public School, Delhi | 91.8% 2023
- X (CBSE) | SLSDAV Public School, Delhi | 97% 2021

TECHNICAL SKILLS

- Programming Languages: Python, C++, C
- Coursework: Software Engineering, DBMS, Data Science, NLP, DSA, OOPS, AI, ML, CN, OS, IP, Corporate Finance
- Database and Tools: MySQL, Jupyter, Google Colab, Oracle Live SQL, Kaggle, Dev-C++, IDLE(Python), R, MATLAB

PROJECTS

- Emotion Aware Virtual Assistant for Indic Languages (ELC Summer Internship TIET'25, offline mode)**
To **enhance human-computer interaction**, created a **dataset** of about **1200** utterances of **Hindi Emotional Speech** and **designed** a model using **python** for emotion detection of Hindi audios solely on the basis of **paralinguistic features**, applied and evaluated for **various ML models** such as Random Forest, LSTM etc. integrated the model into a chatbot aiming to making virtual assistants more **empathetic** and **inclusive** for diverse **Indian** language users.
- TMDB Movie Data Analytics: Recommendation And Prediction Model**
Designed a dual-module system on the **TMDB dataset** for **content discovery** and **revenue forecasting**. Implemented a **recommendation engine** using **TF-IDF** and **Bag of Words** vectorization for content based similarity, and a predictive framework utilizing **Deep Learning** and regression models to analyze success metrics. This project solidified expertise in **feature extraction** and **ML/DL pipelines** for **predictive analytics**.

POSITIONS OF RESPONSIBILITY

- Executive Member, Rotaract Club TIET** Sep 2023 - 2025
Headed and volunteered in team-building and social service initiatives, including a two-day sports event, old age home visits, special school engagements, and donation drives.
- Core Member, MUDRA (Cultural Society, TIET)** Aug 2024 - 2025
Led and participated in theatrical events, occasionally collaborating with other societies like Thapar Institute Counseling Cell for Mental Health Awareness Week, enhancing communication, interpersonal and teamspirit.
- Assistant Mess Secretary, TIET Hostel** Aug - Dec 2024
Gained practical experience in management and financial operations, developing an understanding of resource allocation and budgeting.
- Head Girl, SLS DAV Public School, Delhi** Batch 2023
Honed leadership, team management, and organizational skills while representing and coordinating student activities, showcasing the ability to manage responsibilities effectively.

ADDITIONAL ACHIEVEMENTS

- Innovate 2025 Hackathon:** Shortlisted and presented a tech based(ML, Image Labelling) solution for aiding blind people in final round-II.
- Won IZHAAR'25 TIET:** Winner of Drama Nukkad Natak category, delivering a youth empowering performance.
- Reliance Foundation Undergraduate Scholar'23:** Shortlisted on the basis of aptitude test, academic records & final reviewing.
- Perfect Score in CBSE Class 12 Computer Science:** Achieved 100/100 in CBSE Class 12 Computer Science, showcasing strong programming, problem-solving, and analytical abilities.
- Meritorious Award for Rhetorics (CBSE Summit '23):** Recognized for public speaking and persuasive communication at the CBSE National Adolescent Summit 2023, showcasing strong verbal & presentation skills.
- Zonal Debate Competition (2023):** Secured 3rd place in zonal debate competition, demonstrating strong critical thinking & public speaking skills.
- Model United Nations (MUN) Achievements:** Participated in MUNs, earning Special Mention, demonstrating analytical thinking, problem-solving, and the ability to present structured arguments.
