LinkedIn Profile

EDUCATION

- | | |
|--|------------------|
| •Thapar Institute of Engineering And Technology, Patiala | 2027 |
| Btech COE | CGPA:9.07 |
| •Green Land Convent School, Ludhiana | 2023 |
| 12th - Central Board Of Secondary Education | Percentage: 94.6 |

EXPERIENCE

- | | |
|--|-------------|
| •Research Experience | Summer 2025 |
| – Authored research on explainable AI for mango disease detection. | |
| – Poster accepted at IEEE Consumer Communications & Networking Conference (CCNC) 2026. | |
| – Gained experience in data analysis, machine learning and research methodology. | |

PERSONAL PROJECTS

- | | |
|--|------|
| •Eatwise: Intelligent Restaurant Recommender | 2025 |
| AI Model Development and Data Integration | |
| – Developed a data-driven recommendation system by merging and preprocessing multi-source datasets, applying a Random Forest model to generate personalized suggestions, and deploying an interactive interface for real time user insights. | |
| •Deloitte Data Analytics Virtual Project | 2025 |
| DataAnalysis andVisualization usingExcelandTableau | |
| – Completed Deloitte (Forage) job simulation by analyzing datasets in Excel, conducting forensic investigation, and developing a Tableau dashboard to identify trends and generate product and user behavior insights. | |
| •Smart Gym Management System | 2025 |
| DBMS Design and implementation | |
| – Designed an integrated database system to manage users, payments, and activities, automating workflows with stored procedures and triggers, and creating views for streamlined reporting and business insights. | |

TECHNICAL SKILLS AND INTERESTS

Languages: C/C++, Python, SQL, R, MatLab

Developer Tools: PowerBi, Tableau, Latex, Excel, AutoCAD, Anaconda, Jupyter Notebook / Google Colab, VSCode

Frameworks:Pandas, NumPy, Scikit learn, TensorFlow, Pytorch, Keras, PyTorch, OpenCV

Soft Skills:Problem-solving, Analytical Thinking, Adaptability, Critical thinking, Time management, Communication

Coursework:Data Structures and Algorithms (DSA), Operating Systems, Database Management Systems (DBMS), Computer Networks, Object-Oriented Programming (OOP), Software Engineering, Artificial Intelligence, Machine Learning, Theory of Computation, Discrete Mathematics, Computer Architecture

Areas of Interest: Data Analytics, Product Analytics, Machine Learning / AI, Data Science, Natural Language Processing (NLP)

CERTIFICATIONS

- | | |
|---|------|
| •Machine Learning - Fox Trading | 2025 |
| •Data Analytics Job Simulation - Deloitte | 2025 |
| •Fundamentals Of Deep Learning - NVIDIA | 2025 |

ACHIEVEMENTS

- | | |
|---|------|
| •IEEE Xplore publication: First author of an IEEE conference paper (poster) on explainable AI and severity grading for mango disease detection, published in IEEE Xplore.
(DOI: 10.1109/CCNC65079.2026.11366508) | 2026 |
|---|------|
